Songs to Link with Psalm 119: 97-104 and 2 Timothy 3: 14-4:5

God's Word (Beth Barnett, 1998)
Bible Buzz (Beth Barnett, 2008)

These two readings and these two songs celebrate the different ways the Bible helps us.

God's Word highlights the different genres of the texts (animal stories, history and heroes too) and Bible Buzz focuses on the way the Bible brings us more questions than it does answers. Both are fun, easy to learn, action oriented songs.

When you present these, there is no need to label them "kids' songs" – they are music, words and movement.

Discipline yourself and train your leaders to use phrases like
"This is a song for everyone"

"This is a great song that everyone can help us sing and enjoy really well together.

There are lots of words, some opportunities to move around, and it can remind us all to keep on faithing and following Jesus together.
